### Ingredients

1602-Classic Rim Charger  
1025-Peasant Ware Salad Plate  
2034-Peasant Ware Cereal Bowl  
1004-Classic Coupe Salad Plate  
1603-Petal Soup Bowl

2306-Blue-by-U  
Fun Writers

6541-Soft Fan Brush  
Sponge  
Cricut or Stencils

- You may cut your “patterns” out using the Cricut or create your own. If you are using paper for your stencils, wet them and this will help the stencil stick to the bisque while you are painting over them. I use Avery mailing labels when I need to stencil on unpainted bisque as I find they stick well and do not leave glue on the bisque which will cause crawling.

### Directions

#### **Classic Coupe Salad Plate**

##### Step 1

Center letter stencil in the middle of the plate. Dab sponge in paint, then dab on scrap bisque or paper before sponging paint onto plate. Fill in entire letter and let dry. Apply paint 3 times.

##### Step 2

Pick up a good amount of paint with the sponge. Rest the outside edge of the plate into the sponge/paint and turn plate. Move paint around the rim in this manner until the entire edge is covered. Let dry and repeat.

##### Step 3

Using the Fun Writer filled with Blue-by-U, “dot” around the inner edge of the plate, (next to the rim just painted with sponge). Let dry.

Repeat Steps 1-3 for Peasant Soup bowl and Petal Soup bowl.
