THREE SECTION BABY PLATE - 2 HOURS

STEP 1 - To cone 04 bisque, apply 3 coats of Mellow Yellow to the inside section of the 3 section plate and let dry. Apply 3 coats of Sweet Pea to the rim and let dry thoroughly. Using the Li'l Boy Blue Fun Writer, you can write different numbers and the child's name. Using the same Fun Writer, apply a thin line to the inner part of the rim. Refer to the photograph as a guide. Using the Polar Bear Fun Writer, apply dots to the rim of the Sweet Pea.

STEP 2 - Dip into clear glaze and fire to cone 06.

TWO HANDLE BABY MUG - 2 HOURS PLUS

STEP 1 - To cone 04 bisque mug, apply three coats of Mellow Yellow to the mug, leaving a 3/4" border for Sweet Pea. When completely dry, apply 3 coats of Sweet Pea to the handles and the top rim of the mug. Refer to the photograph as a guide. Transfer the teddy bear pattern onto the front of the mug.

STEP 2 - For the teddy bear, apply 3 coats of Something Blue for the face and body section and let dry. For the ears, arms and legs, apply 3 coats of Li'l Boy Blue. For the balloon, apply 3 coats of Sweet Pea. For the heart design on the teddy bear body, apply 2 generous coats of Blue-by-U. Using a detail brush, apply a thin outline around the teddy bear design and balloon. Use Black Lab to finish the facial details.

STEP 3 - Using the Polar Bear Fun Writer, apply dots to the handle and top rim of the mug. Dip into clear glaze and fire to cone 06.

BABY PLATE ON RIM SALAD - 4 HOURS

STEP 1 - To cone 04 bisque plate, apply 3 coats of Mellow Yellow to the plate. Apply 3 coats of Sweet Pea to the rim. Transfer the teddy bear pattern onto the center of the plate. For the teddy bear, apply 3 coats of Something Blue for the face and body section and let dry. For the ears, arms and legs, apply 3 coats of Li'l Boy Blue. For the balloon, apply 3 coats of Sweet Pea. For the heart design on the teddy bear body, apply 2 generous coats of Blue-by-U. Using a detail brush, apply a thin outline around the teddy bear design and balloon. Use Black Lab to finish the facial details.

STEP 2 - Using the Li'l Boy Blue Fun Writer, create a thin line at the inner rim of the plate. Write the child's name at the top and the child's birth date at the bottom. Using the Polar Bear Fun Writer, apply dots to the rim.

STEP 3 - Dip into clear glaze and fire to cone 06.

BABY'S FIRST PHOTO - 4 HOURS

STEP 1 - To cone 04 bisque, apply 3 coats of Mellow Yellow to the inside portion of the frame and 3 coats of Sweet Pea to the outer portion of the frame. Refer to the photograph as your guide. Let dry thoroughly.

STEP 2 - Transfer pattern onto the frame. For the teddy bear design, apply 3 coats of Something Blue for the face and body section and let dry. For the ears, arms and legs, apply 3 coats of Li'l Boy Blue. For the balloon, apply 3 coats of Sweet Pea. For the heart design on the teddy bear body, apply 2 generous coats of Blue-by-U. Using a detail brush, apply a thin outline around the teddy bear design and balloon. Use the Black Lab to finish the facial details.

STEP 3 - Using the Li'l Boy Blue Fun Writer, apply a wavy line to separate the Mellow Yellow and Sweet Pea borders. Refer to the photograph as a guide. Using the Polar Bear Fun Writer, apply dots to the Sweet Pea section. Dip into clear glaze and fire to cone 06.
