Brushes & Materials

#6505 Colorstix -
#6 Round Brush
#6520 Colorstix -
#3/0 Detail Brush
1 Fun Writer Bottle
Synthetic Sponge

Step 1- Apply 2 coats of Polar Bear to the top and sides of the frame. Let dry.

Step 2- Trace pattern onto the frame. Apply a thin coat of Tickled Pink to the hearts and the roses. Apply one coat of Pea Soup to the stems and the leaves. Fill the fun Writer bottle with Polar Bear and outline parts of the roses, leaves and outline the hearts.

Step 3- (see wet stroke glossary for this step) Using a #8 Round brush, wet, dab and side slide into Tickled Pink. When applying, the side of the brush with color should be on the inside edge of the design. Follow the pattern or just wave it yourself.

Step 4- Apply small dots with Tickled Pink along the outside of the pattern as per photo.

Step 5- Use Bumpy Pink for the lettering to apply your message.

Step 6- Dip into Clear Glaze and fire to a shelf cone 06.

WET STROKE GLOSSARY:

WET STROKES: A technique that is applied using water with color (similar to water colors), a round brush or a sponge to accomplish several different looks....watercolor...antique.....faded backgrounds.....old world look.....Weathered look.....deep shadowed look and parchment paper with burnt edges.

WET & DAB: Wet your brush and dab only once on the paper towel so you still have plenty of water in your brush.

SIDE SLIDE: Wet, then dab your brush once on a paper towel, slide one side of the brush through the edge of a color and apply by sliding along the inside edge of any design.

DAMP SPONGE: To wet your sponge and squeeze out all the water leaving it only damp.

WET SPONGE: Wet your sponge and squeeze out half the water so that the sponge is still wet.
