

POTTERY PAINTING PLACE

Class: Samples That Don't Just Look Pretty
Recipe: ... Just add bowls, and make it a set!

The fun doesn't stop with just one platter! This bright and simple idea can extend to plates, bowls, mugs, and an entire set of bold colors and whimsical flowers!

Piece:

Gare Tall Cereal Bowl #2032

Supplies Needed:

- Large Square Brush

Paints:

- INTERIOR- Choose any bright color from one of the stripes in the platter, or another color that would coordinate well together
- FLOWERS- FS-2314 Black Lab Fun Writer

Interior of Bowl:

Use a large square brush to paint three solid coats of paint on the inside of the bowl.

Flowers:

Use a #2 pencil to sketch where you want to put the flowers. Then use a Black Lab Fun Writer to color the flowers in like filling in a coloring book. That's it! Easy!
